## FLOGER

Floger is a folding and stackable lounge chair with a compact form which provides easy storage. Unique form of the chair makes it more comfortable than the common folding chairs by creating a contoured mold to fit the shape of the user and offers a new perspective to stacking chairs. The attractive look of Floger is strengthened via color combination of pure white and bright colors emphasizes fresh spirit of the chair.

DAVIDE VERCELLI

## FLOWER

A basin faucet made completely from glass. When opened the water gushes out from the bottom and fills the vase up to the rim. A limited edition to bring an air of poetry to the bathroom.

## STRUTTURASEI

Table cedar wooden top: a single plank 3 mt length with stainless steel counterweighted bases.
